7. ☐ Examiner's Amendment/Comment
8. ☒ Examiner's Statement of Reasons for Allowance
9. ☐ Other _____

DETAILED ACTION

Drawings

1. The drawings filed April 21, 2004 are acceptable.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:

In a method of sticking a polarizer to a substrate, the prior art does not teach or make obvious the concept of tilting a mounting surface of the polarizer from a horizontal position to form a gap between the polarizer and the substrate and at a location after the gap in the movement direction of the substrate, sticking the polarizer to the substrate in the manner claimed by the applicant.

In a system for sticking a polarizer to a substrate, the prior art does not teach or make obvious the concept of the polarizer sticking unit has a sticking roller for pressing the polarizer against the substrate in a sticking position which is positioned along the conveyance line to thereby stick the polarizer onto the substrate in combination with a holder for holding a trailing end portion of the polarizer along the conveyance line wherein the holder is movable to follow the movement of the polarizer in the manner claimed by the applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Telephone/Fax

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James Sells whose telephone number is (571) 272-1237. The examiner can normally be reached on Monday-Friday between 9:30 AM and 6:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Chris Fiorilla can be reached at (571) 272-1187. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.

A handwritten signature in black ink, appearing to read 'JSells', with a horizontal line drawn underneath it.
